

ABF YOUTH EDUCATION CENTER FUND

By specifying that your donation is for the ABF Youth Educational Center Fund; a long-term goal of ABF; all of your donated funds will go into an endowment managed by a Certified Financial Planner with investment income being utilized for the Youth Education Center

The ABF Educational Center Fund is established for the specific purpose of acquiring a ranch property, to be located in Texas and having an area of approximately 500 acres, minimum, and having both a reliable source of water and a reasonable game population. The purpose of this property will be to provide a location where the Foundation can establish both a Youth Bowhunter Education Center and a location where some limited bowhunting testing and research can be conducted. Furthermore, this location can be used for additional archery/bowhunting related purposes upon unanimous consent of the Board. The board accepts both individual and corporate donations (from any non-manufacturers of arrows or arrow components) for this Fund.

All funds deposited in the Educational Center Account may only be withdrawn from the Account with unanimous consent of the Board and only for the purposes of

- (1) acquisition of said Educational Center property.
- (2) capital improvements upon said Educational Center property, once land is acquired.

(3) habitat improvements for the benefit of the game population upon said Educational Center property.

(4) operational cost of said Educational Center and/or other archery/bowhunting related purposes and training upon said property, as approved by the Board.

(5) acquisition of vehicle(s), machinery, and materials for use on said property only. Unless donated, said vehicle(s), machinery, and materials shall be acquired through a bidding process from multiple bidders.

(6) for the purpose of game management upon said Educational Center property through professional game management surveys and/or Board approved game management hunts/harvest of any type, to include, but not limited to, bowhunts, firearms hunts, and animal trapping.

(7) acquisition of game animals, native or exotic, for transplant upon said Educational Center property. Acquisition of animals other than recognized game species for placement upon said Educational Center property shall require unanimous board approval.

Disposition through gift or sale of any portion of said property, vehicles, machinery, equipment, materials, or live game animals shall require unanimous Board approval and with all proceeds from such disposition returned to the Educational Center Account.
